September Membership Meeting Minutes

Treasurer's Report

Jerry Borkowicz

Beginning Balance - \$57,487.66
 Total Cash Received. - \$13,829.67
 Disbursements - \$8,469.93
 Ending Balance - \$62,847.40

The engine replacement fund target is:
 \$38,269.08
 Current balance to pay off 81898 avionics
 upgrade is \$2,518.39

Maintenance Report

Ed Godfrey

61898

- Installed NuLites for the 2 omni's
- Replaced power transistor for dimming circuit for the radio stack
- Replaced flap switch behind panel
- Serviced shimmy damper with fluid

773SP

- Cleaned, gapped and rotated spark plugs
- Secured co-pilot headphone jacks

81898

- Adjusted idle speed and mixture
- Replaced left main tire
- Replaced chafe seal on upper cowl

Maintenance on the unheated hangar:

Missing screws on the hangar door have been replaced.

Cleared the cable on the winch from between the gears. Note: if you encounter a problem with the cable, call and report it to Ed so it can be fixed prior to the next member needing to use it.

An inspection on the tail of 773SP will be conducted per a Cessna service bulletin.

Membership Report

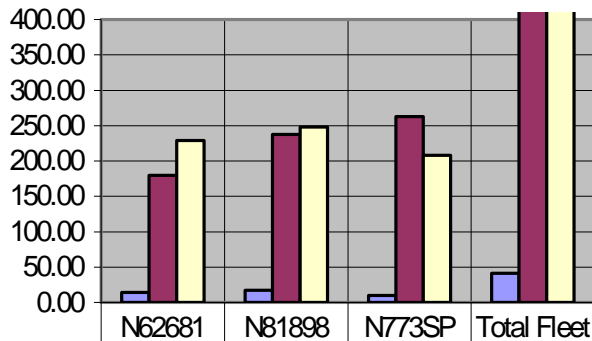

Rob Strickland

45 active members, which includes 2 Flying Active Service Members:

2 Service Associate Members

AIRCRAFT FLIGHT HOURS

■ Current Month ■ YTD ■ Last YTD

■ Current Month	14.10	17.18	10.10	41.38

■ Last YTD	229.00	248.05	208.20	685.25

1 Family Associate Member
13 CFI's: 11 CFI Only Associate Members
35 Inactive members
28 Current Check ride cards (65%)
3 Prospective new members

Welcome to the club 2 new members

- Mike Sandman
- Pavel Stoev

Training Report

Dick Low

The fall checkride period ends November 1st.

Old Business

The board is continuing to search for a hangar for 62681 for the winter months. The club is currently waitlisted for a hangar opening.

New Business

2010 – 2011 Board Elections were held with a quorum of the membership attending the meeting.

There were no nominations from the floor. Jerry Borkowicz made a motion to elect the slate as presented by Ron Andermann to the membership. Ed Godfrey seconded the motion and the vote by the attending membership was unanimous.

Elected to the new board were:

Steve Mayes – Vice President

Lou Camp – Secretary

Jerry Borkowicz – Treasurer

Rob Strickland – Membership

Ed Godfrey – Maintenance

Dick Low – Training Officer

Jason Herber had opted not run for the office of President again. As of this meeting, that position is open.

Jason was recognized by Ron Andermann and the membership at large for his leadership and service to the club as president.

The annual Holiday party is being scheduled for December 9th at Pilot Pete's located at Schaumburg Regional airport.

Rob Strickland will lead a committee to review various options open to the club exploring the next generation of fleet expansion. These options will include but are not limited to purchase, leaseback and utilization of other aircraft located at DPA.

Ron will be soliciting input from the membership in the near future.

The meeting adjourned at 2041.

Rich Wellner presented his National Parks Tour that he and his wife made earlier this year. The presentation included videos from the cockpit as well of still photos of the Grand Canyon, Yellowstone and other national parks they visited during their nearly three week adventure.

Fox Flying Club “Meet the Member”

Name:

Member of Fox Flying Club since: 2008

Why did you join Fox Flying Club?

DPA is only a few minutes from my house, so finding something there was a priority. Given the size of the airport that left several options, but once I made my first visit to Fox it was obvious that was where I should join. It's a real club, run by real people. That makes it a very comfortable place to fly.

When and where did you begin your aviation odyssey?

I've always been into airplanes. As a kid I loved flying down to Marco Island to visit my grandparents and as an adult who flies 50-100K miles a year for business I still look forward to every flight. I'm the guy with the window seat watching the world go by.

I worked for Fermilab for a few years and fell into the RC flying club there. It was fun and a great group of guys, but since the Barnstormers flying field is under the departure end of 20L I kind of longed to get up in the air and fly full-scale planes.

The chance to do that came a few years ago, and it's been a great adventure.

Certificates held:

Private and 1.5 hours toward Instrument. Work got in the way of my attempt to start my instrument training, but I'm hoping to restart in November.

Aircraft flown:

Just ours!

Interests/hobbies beyond flying:

Prairie restoration, forestry, woodworking, computer programming, reading, photography, electronics, soccer, movies, politics, public speaking, any kind of science, running, international travel

Your day job:

Cloud computing guru

Your hangar flying story:

I guess I don't have just one. My favorite flight was a training run I did from Boulder to Leadville, the highest airport in North America. The mountains were covered with snow and the skies filled with beautiful puffy clouds. Good times.

People might enjoy my blog, <http://leftbase.com>

We had a blast last summer spending three weeks flying around the Rockies and wrote about the trip.

Future flying dreams:

Seaplane rating and a summer lake hopping in Alaska

A Huskey on tundra tires and a summer in the Rockies

Some aerobatics training

Getting an ultralight to play with up at our farm.

Soaring

Calendar of Events

Members are invited to join other's meeting at Portillo's restaurant on North Ave and Kautz Rd. around 1815 prior to the membership meeting

Next membership meeting is October 14th at 1930

DPA is sponsoring a Customer Appreciation Pancake Breakfast on Saturday, October 16th, from 0800 to 1100 at the Dupage Flight Center.

The next board meeting is November 4th, at 1930 at the DuPage Flight Center

Holiday party at Pilot Pete's is being scheduled for December 9th.
