

Fox Flying Club

Dedicated to promoting SAFETY, EDUCATION, FELLOWSHIP and the enjoyment of FLYING

July Membership Meeting Minutes

The July membership meeting was held Thursday, July 9th, 2009
in the DuPage Flight Center and was convened at 7:30pm.

Treasurer's Report Jerry Borkowicz

For the month ending 06/30/09, our income totaled \$12,133.14 and disbursements totaled \$7,656.34.

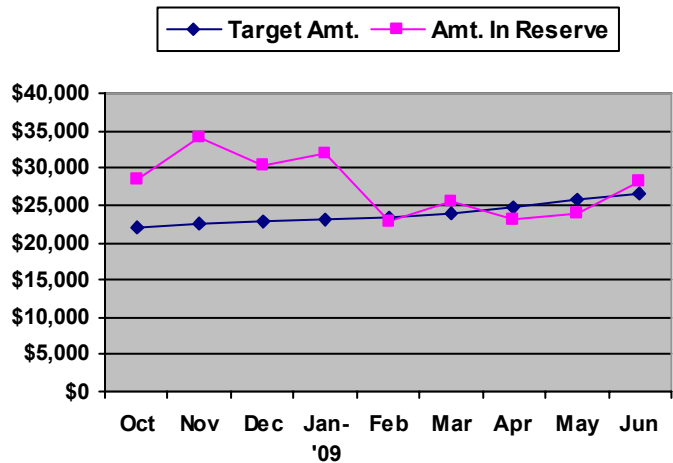

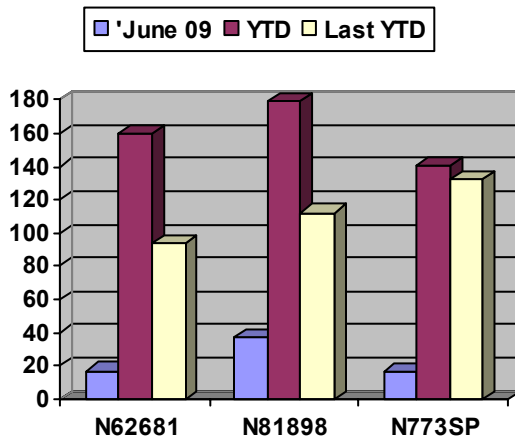

Total Cash on hand is \$28,239.78

Our engine replacement target is now \$26,577

Current balance to payoff upgrade is \$5,538.91.

June flying hours totaled 73.85

(Flight hours reset beginning of October each yr.)

Maintenance Report

Ed Godfrey

N62681: Changed oil & filter.

N773SP: Replaced broken screw on spinner; Updated GPS database; Changed oil & filter.

N81898: Replaced left main tire and inner tube; Had coax replaced for all comm antennas; replaced missing screw on right main hub cap; updated the GPS database for nav and obstacles; changed oil and filter.

Randy will be inspecting the flap tracks on 681

The winch in the unheated hangar for 773SP has been repaired. I should have instructions soon on using the winch and the freewheeling of the cable wheel. If you need some info before I get the instructions, to cause it to free wheel, lift the step lock tab and slide the pulley to the north, so that the small gear is not engaged with any of the other gears. This will allow you to play out the cable to connect to the tail tie-down. To winch in, lift up the step lock tab, slide the pulley to the south so that it is engaged with the other two large gears. Use the remote to winch the plane in. If for some reason the winch stalls, check the location of the black covered handle so that it is not locking the gear mechanism.

Membership Report

Rob Strickland

We are currently at 43 active members.
Current Check ride cards are at 23 (53%).

Welcome new member Konrad Sherinan.

Lee Perington and Aaron Huegot are active members from inactive.

Training Report

Dick Low

We are looking for topic suggestions at the membership meetings. Please forward any ideas to Dick Low.

New Business

If anyone has an idea to keep birds off the beam above 3SP, please forward your ideas to Ed.

A reminder to all members, please change the lock tumbler on 3SP hangar when securing.

***Next FFC Membership Meeting will
be at the DuPage Flight Center on
August 13, 2009 at 7:30pm.***
